A Note from the Director

Hello and happy first day of August! We're entering our second full week of school, and I'm looking forward to rejoining our students as I've been recovering from a leave of sickness. This academic year will be a memorable one, as the Copper Thunder Marching Band looks forward to competing In the **Bands of America**

Regional Championships in Las Cruces, New Mexico on Sept. 17.

Our concert ensembles will also have a full slate of performances on deck, Including a **potential day trip to Phoenix for the concert ensembles to perform the national anthem** at a professional sporting event. More to come on these things, but please stay tuned to our [*NEW*](#) monthly newsletters for the latest In news, dates, and media! See you soon.
