A Note from the Director

Hello! I hope everyone is enjoying a restful fall break before our busy October kicks off. This month will feature a lot of musical experiences, as the Copper Thunder Marching Band continues its local competitive season, orchestra attends its first performance festival, and our students continue to shape their musical artistry in the classroom each day. Our **Symphonic Band** and **String Orchestra** are excited

to kick off our 2022-2023 concert season on **Monday, October 17** in the Cienega HS Student Union. This concert will feature the musical works of widely-known composers such as Ludwig Van **Beethoven** and Pyotr Ilyich **Tchaikovsky**, in addition to beautiful works from lesser known women composers such as Cait **Nishimura** and Florence **Price**. This music has led to stimulating conversations in the classroom about musical interpretation, compositional identity, and performer artistry. We hope to see you on the 17th!
