

CHS Instrumental Music Program Volunteer Hour Fee Waiver

School Year:2023-2024

It takes hundreds of volunteer hours to make each Marching Band and Concert Festival season a success. As our program has gotten smaller in recent years we are struggling to get volunteers. As a result - we are offering a discount on booster fees for every 10 hours served this season (up to 50%). All hours will need to be completed by 11/17/23. Hours will be logged by a Board Booster officer (or appointed liaison) at the event. Any family member over the age of 18 can volunteer and it will count towards hours. Sign up genius will NOT serve as hours logged, in the event that you are unable to attend the hours you signed up for. The following is a breakdown of fee waivers. Any hours committed that are not served will result in fees due at the end of November.

Student Information:

Student Name:	
School:	Grade:
Address:
